

RESEARCH EXPERIENCE

2003	Development of Blurometer
2000	Development of Glarometer
1999	Development of Luminary Probe
1996	Experimental model for Post - PRK, Stromal Haze, at Jefferson University, Wills Eye Hospital, Philadelphia, PA
1992	Development of commercial infra-red pupillometer
1983 - Present	Experimental Intraocular Lens Implant Surgery at Wills Eye Hospital, Jefferson Medical College, Philadelphia, PA
1981	Contact Lens Association of Ophthalmologists Scientific Exhibit Grant Recipient for "Tor-Rite TM ": "A Toric Soft Contact Lens Fitting Aid"
1979	Exhibitor/National Meeting, Association for Research in Vision & Ophthalmology, Sarasota, FL
1978	Exhibitor/Regional Meeting, Association for Research in Vision & Ophthalmology, Albany, NY First Prize: "Shoemaker Award" Pennsylvania Academy of Ophthalmology & Otolaryngology Society Exhibits, "Retinal Microembolization in Drug Abuse"
1969 - 1972	Electron Microscopic Investigation in Subacute Sclerosing Panencephalitis, University of Louvain, Honor Student Research

PATENTS

1992	U.S. Patent No. 5,098,438 <i>Novel Procedures For Intraocular Surgery</i>
1991	U.S. Patent No. 4,993,936 <i>Apparatus For Compressing, Deforming and Dehydrating Expansile, Hydrogel Intraocular Lens</i>
1990	U.S. Patent No. 4,976,719 <i>Device Used To Change Corneal Curvature</i>
1988	U.S. Patent No. 4,734,095 <i>Self-Centering Artificial Intraocular Lens</i>
1985	U.S. Patent No. 4,556,998 <i>Improved Artificial Intraocular Lenses and Method for Their Surgical Implantation, Ser.#520,187</i>

PAPERS PRESENTED

- May 2007 American Society of Cataract Refractive Surgeons, San Diego, CA “New Soft Implant Splitter” Presented during the Intraocular Surgery Phaco Technique and Technology Session and won Best Paper of Session Award , 1:00 – 2:30 P.M. Session, Tuesday May 1, 2007
- July 2005 Nantucket Cornea Symposium, Nantucket, MA, “*Refractive Management of Recurrent Keratoconus*”
- April 2003 American Society of Cataract Refractive Surgeons, San Francisco, CA, “*Glare Assessment Before and After Vision Correction*”. Presented during the Refractive Lasik Session and won Best Paper of Session Award. 10:00 AM – 11:30 AM Session, Moscone Center South, Room 302, - Sunday, April 13th, Panelists: Shishir Agrawal, MS, FRCS, W. Bruce Jackson, MD, Sujatha Mohan, MD. Moderator: Perry S.Binder, MD
- June 2002 American Society of Cataract & Refractive Surgery, Philadelphia, PA, “*Assessment of Glare Pre and Post-Laser Vision Correction*”

PAPERS PRESENTED

- April 1986 Wills Eye Hospital, Philadelphia, PA, Course - "*Diabetic Patients*" "*The Indications of IOL's in Patients with Diabetes*".
- April 1986 Symposium on Cataract, IOL & Refractive Surgery, Los Angeles, CA, "*Advances in the 3mm Expansile Intraocular Lens*", Film Festival Runner-up - IOL Category.
- March 1986 Wills Eye Hospital - 38th Annual Conference, Philadelphia, PA, "*Hydrophilic Soft Intraocular Lenses, An Update*".
- Feb. 1986 Philadelphia Ophthalmic Club, Philadelphia, PA, "*3mm Expansile Intraocular Lens*".

GUEST SPEAKER, COURSE INSTRUCTOR. COURSE PARTICIPANT

- April 2007 American Society of Cataract Refractive Surgeons, San Diego, CA, Moderator for the "Intraocular Surgery Techniques and Technology" session at the San Diego Convention Center, Monday, April 30, 2007
- April 2007 STAAR Surgical U.S. Vision ICL Experts Symposium, panelist, April 25-27, 2007
- July 2005 Nantucket Cornea Symposium, Nantucket, MA, "Refractive Management of Recurrent Keratoconus"
- April 2005 American Society of Cataract Refractive Surgeons, Washington, DC, Panelist for Cataract Complications, PCO
- April 2005 American Society of Cataract Refractive Surgeons, Washington, DC, Course Instructor, Phaco Wet Lab with Luther Fry
- March 2004 Wills Eye Hospital Annual Conference, Philadelphia, PA, presentation and workshop on Iris Suture Technique.
- Dec. 2003 Wills Eye Hospital Auditorium, Philadelphia, PA, presentation and Continuing Education lecture on Extreme Refractive Surgery – Anterior Segment Reconstruction and The Glarometer for "The PROS" (Philadelphia Regional Ophthalmic Society)
- Nov. 2003 Temple University Hospital, Philadelphia, PA - Ophthalmology Department - presentation and lecture on Extreme Refractive Surgery – Anterior Segment Reconstruction for Hospital Residents.
- Sept. 2003 Norristown Senior Center, Norristown, PA, presentation to the seniors on Lasik and Cataract surgery
- April 2003 American Society of Cataract Refractive Surgeons, San Francisco, CA, Panelist for paper presentation for Wavefront)
- April 2003 American Society of Cataract Refractive Surgeons, San Francisco, CA, Moderator for the "Cataract IOL's – Wavefront, Centeflex, Clearflex" session at the Moscone Center.

- April 2001 American Society of Cataract & Refractive Surgery, San Diego, CA, "The Anterior Segment Reconstructive System"
- Sept. 2000 Temple University, Department of Ophthalmology, Guest Lecturer, "LASIK complications" and "Management of Patients with Irisodialysis"
- Jan. 1998 Temple University, Department of Ophthalmology, Guest Lecturer, "LASIK"
- July 1997 TLC, The Laser Center, Inc., Bethesda, MD, Photorefractive Keratectomy (PRK) Laser In-Situ Keratomileusis (LASIK) Comprehensive Course, participant.

GUEST SPEAKER, COURSE INSTRUCTOR. COURSE PARTICIPANT

- May 1997 Lehigh Valley Hospital's 2nd Annual Eye Symposium, Allentown, PA, Lecture, "Excimer Laser Refractive Surgery" "Anterior Segment Reconstruction" "Management of the Dislocated IOL".
- May 1997 Wills Eye Hospital, Philadelphia, PA, Continuing Education Program, Lecture, "Management of Astigmatism".
- Feb. 1997 Wills Eye Hospital, Philadelphia, PA., VISX PRK & PTK Certification Course.
- Dec. 1996 Wills Eye Hospital C/PEC, Philadelphia, PA, Lecture, "What's Hot and What's Not in Refractive Surgery".
- Oct. 1996 Temple University, Philadelphia, PA, Ophthalmology Residents Lecture, "Suture Fixated PC IOL's Technique, Complications and Management".
- Sept. 1996 Wills Eye Hospital, Philadelphia, PA, Lamellar Refractive Surgery, participant.
- July 1996 TLC-20/20 Laser Center, Bethesda, MD, PRK Peer Clinical Training for Use of the Summit SVS Apex Excimer Laser.
- June 1996 George Washington University, Washington, D.C., Excimer Laser Photorefractive Keratectomy Certification Course.
- April 1996 VISX, Inc., VISX Excimer Laser System PRK Training Course.
- Nov. 1995 VISX, Inc., Phototherapeutic Keratectomy Certification.
- Feb. 1992 Wills Eye Hospital Key West Conference, Key West, FL, "Complications of Phacoemulsification Course", speaker.
- Oct. 1991 Wills Eye Hospital, Philadelphia, PA, Resident Core Lecture Series, "Luminosity and Contrast Sensitivity".
- Oct. 1991 Cedars-Sinai Medical Center, Los Angeles, CA, Excimer Laser Seminar, course participant.
- April 1991 Wake Forest University Eye Center, Bowman Gray School of Medicine, Winston Salem, NC, "Advances in Cataract Surgery" "Phaco Initiate" "Closures of the Future", and "Cases to Keep You Awake at Night".
- April 1991 Wills Eye Hospital 43rd Conference, Philadelphia, PA, "Cataract Surgery with Sutureless Radial Transverse Incision".
- April 1991 Boston ASCRS/ASOA Symposium on Cataract, IOL & Refractive Surgery, Boston, MA, "Sutureless Cataract Surgery with Radial Transverse Incision".
- Jan. 1991 Wills Eye Hospital Key West Conference, Key West, FL, "Complications of Phacoemulsification", course speaker
- Jan. 1991 Wills Eye Hospital, Philadelphia, PA, "Senior Surgical Case Conference" on Complicated Cataract Cases, conference participant.

- Nov. 1990 The New Jersey Academy of Ophthalmology & Otolaryngology Annual Scientific Meeting, New Jersey, *“Sutureless Surgery with Radial Transverse Incision”* & *“Astigmatism Control”*.
- Oct. 1990 Second Annual Pre-Academy Advanced Phacoemulsification Course, Atlanta, GA, *“Radial Transverse Incision for Small Incision Surgery”*, Stephen F. Brint, Course Director.
- May 1990 Ocular Surgery News Symposia, Bermuda, *“Single-Stitch Surgery Update”*, course speaker and participant.
- April 1990 Chester-Delaware County Optometric Society Meeting, *“Complications of Cataract Surgery”*, speaker.

GUEST SPEAKER, COURSE INSTRUCTOR, COURSE PARTICIPANT (cont.)

- April 1990 Geisinger Medical Center, Danville, PA, Phacoemulsification & Small Incision IOL Course, co-director.
- March, 1990 Wills Eye Hospital 42nd Annual Conference, Philadelphia, PA, *“Management of Coexistent Cataract and Glaucoma...”*.
- Feb. 1990 Wills Eye Hospital, Philadelphia, PA, Key West Conference, Key West, FL, conference speaker and presentation w/video on *“Complicated Phacoemulsification Techniques”*.
- Dec. 1989 Wills Eye Hospital, Philadelphia, PA, Resident Core Lecture Series, *“Trouble-Shooting the Phaco Machine”*.
- May 1989 Montgomery Hospital Family Residency Program, Norristown, PA, *“Crossed Eyes, Cross my Heart, Hope to Die”*.
- May 1989 Rochester Eye Institute Annual Seminar, Rochester, NY, course participant & lecturer.
- April 1989 American Society of Cataract & Refractive Surgery, Annual Conference, Los Angeles, CA, *“New Methods for Cross Sectional Diameter Decrease in Expansile Hydrogel Intraocular Lens”*.
- Feb. 1989 Wills Eye Hospital, Cataract & Primary Eye Care Service, Philadelphia, PA, Key West Conference, Key West, FL, *“Advanced Phaco Techniques”*, *“Small Incision Lens”*, *“Astigmatism Control”*.
- Nov. 1988 Wills Eye Hospital, Philadelphia, PA, Resident Education Lecture Series, *“Luminosity, Tints, & Glare Testing”*.
- Sept. 1988 University of Pittsburgh School of Medicine, Department of Ophthalmology, Pittsburgh, PA, *“Phaco & Small Incision Intraocular Lens”*, course program speaker.
- July 1988 Second International Cataract, Implant, Microsurgical and Refractive Keratoplasty Meeting, Nagoya, Japan, in conjunction with the Third Annual Meeting of the Japan Intraocular Implant Society, Nagoya, Japan, *“The Use of Hydrogel in the Expansile Concept Small Incision Lens”*, and *“The Ideal Polymer for the Expansile Concept Intraocular Lens”*.

RECENT AWARDS

- May 2007 American Society of Cataract Refractive Surgeons, San Diego, CA *“New Soft Implant Splitter”* Presented during the Intraocular Surgery Phaco Technique and Technology Session and won Best Paper of Session Award , 1:00 – 2:30 P.M. Session, Tuesday May 1, 2007
- April 2003 Symposium on Cataract, IOL and Refractive Surgery, San Francisco, California Best Paper of Session (BPOS) Winner, Session 2H - REFRACTIVE—LASIK *Glare Assessment Before and After Vision Correction*
- Oct. 2000 VISX Star Surgeon Recognition for Outstanding Achievement in Laser Vision Correction
- May 2000 Philadelphia Magazine, recognition as one of Philadelphia’s *“Top Doctors”*
- Oct. 1999 VISX Star Surgeon Recognition for Outstanding Achievement in Laser Vision Correction
- May 1999 Philadelphia Magazine, recognition as one of Philadelphia’s *“Top Doctors”*
- April, 1994 American Society of Cataract and Refractive Surgery, 1994 Film Festival Runner-Up in Instruments/Devices Category - *“New Technology for Transclerally Fixated Posterior*

Chamber Lenses and Reconstructive Surgery".

- April, 1993 American Society of Cataract and Refractive Surgery, 1993 Film Festival Runner-Up for "Iris Protector Ring".
- March, 1980 American Society of Cataract and Refractive Surgery Alcon Film Festival, Los Angeles, CA, First Place Winner in New Technique Category - "Radial Transverse Incision for Small Incision Surgery".
